

One more fanzine+cd released by Declive do it yourself. Now with 4 noisecore projects from different parts of europe. You own the copy numberof 25. The profits will be for paying the bands copies, the label wont get money from this edition. Thanks to the bands for their collaboration. Of course, everyone involved in this record is against facism and the genocide in palestine.

Sedem second ticha is a slovak noisecore duo. Lots of short and brutal songs. Drum and bass madness.

Hamburguesa de panerola is a noisecore band from Barcelona. Metal drum and bass noisecore with gore vocals.

Driellya is a 1 man band from Basque Country. Insane dirty noise core with a bit of monotron and lots of delayed vocals.

Boyborted is a noisy proyeet from barcelona. Great sounding violence with amazing riffs.
